

# Frugi Halloween Paper Chains

## Instructions

Yippee! It's craft time! Please be careful making this with children as you'll be needing sharp scissors.

Please also make sure that the paper chains are out of reach of small children.

- 1 Print out the paper chains template on the next page of this PDF.
- 2 Using scissors, cut the strips of paper out.
- 3 Paste, tape, or staple the ends of the first strip together to form a loop.
- 4 Place the second strip of paper through the newly made loop. Again, join the ends of the strip together with glue, tape, or staples.
- 5 Continue until you have reached the desired length.
- 6 Hang your paper chain from the walls or ceiling and enjoy Halloween!
